

**REMARKS/ARGUMENTS**

The Applicants respectfully request reconsideration of the present application in view of the prior Amendment filed June 22, 2007, as well as in view of the present Supplemental Amendment. Claims 65-82 are currently pending in the present application.

**I. DRAWING AMENDMENTS**

In the prior Amendment filed June 22, 2007, the Applicants submitted Replacement Sheets for the drawings, wherein Replacement Sheet 7/10 was said to have an amended Figure 15A with the second occurrence of designator "216A" removed. However, the Replacement Sheet submitted with that June 22 Amendment inadvertently did not have this drawing amendment. Accordingly, the correct Replacement Sheet 7/10 having this amended FIG. 15A is being submitted with the present Supplement Amendment.

**II. CONCLUSION**

The Applicants acknowledge the Examiner's indication that claims 65-81 all recite allowable subject matter. The Examiner is invited to contact the undersigned Attorney of Record if it would expedite the prosecution of the present application. The three-month deadline for filing a response to the pending Office Action is August 3, 2007. If it is determined that any fees are due, please charge Deposit Account 13-0480, referencing Attorney Docket 24170759.16.

Respectfully submitted,

/James H. Ortega/
